Auditor Coverdale suggested that the Council allow the Auditor to meet with Dan Stevens to get the line items and go through the previous reductions and prepare the calculations. After this meeting the Auditor will have a 2011 Final Adoption Summary for the County Council.

Commissioner Dillinger stated that Mike Howard and Sheena Randall will hold a mandatory meeting of the elected officials and department heads to make sure the proper procedures are followed for the reduction in force (RIF).

Mike Howard suggested the Council instruct the Auditor to prepare the final budget in concurrence with what the Council has cut. Councilor Belden moved to request the Auditor to make a final budget to submit to the Council at our next meeting. Councilor Beaver stated that this would not be soon enough. Councilor Beaver moved to have the Auditor post the budget as discussed in this meeting with the Council review and adopt it at our next regular Council meeting.
